Production: Camera operation, lighting, location sound, interview/field production, production planning
Workflow: Client collaboration, review cycles, project tracking, quality control, deadline management
Software: DaVinci Resolve, Adobe Premiere Pro, After Effects, Avid Media Composer, BorisFX Suite
Additional tools: Microsoft Office, WordPress, Elementor, Airtable, Softr

Professional Experience

Pre/Post Visual, LLC | *Big Spring, TX* | 2020 – Present
Owner & Senior Video Editor

- Edit commercial, corporate and entertainment projects, adapting structure, pacing and style to project goals and target audiences.
- Contributed editorial work to the four-episode docuseries *Independent Spirits* and created its 2025 trailer; collaborated with a global editorial team to maintain consistency and quality across markets.
- Built a custom client portal for file uploads, frame-specific video review, feedback and project-progress tracking; created an orientation video to support client adoption.
- Create motion graphics and other post-production elements to strengthen narrative clarity and engagement.

CoEx Pipe | *Big Spring, TX* | 2021 – Present
Quality Control | Workflow & Process Support

- Conduct tests on manufactured pipe to verify that products meet applicable specifications; document results and support the handling of quality issues.
- Filmed and edited a promotional video highlighting the company’s quality-assurance processes.
- Train employees in manufacturing techniques and communicate process requirements clearly.
- Designed custom ZenKit applications to track quality holds and repairs, tests and results, equipment inventories, and order status for a major customer.
- Use structured tracking and documentation to improve visibility into issues, equipment and order progress.

Unit 304 Video Production | *Greenwood Village, CO* | 2012 – 2019
Owner & Video Editor

- Produced and edited social, promotional and corporate content for small and midsize businesses and independent entrepreneurs.
- Developed logos, promotional materials and marketing assets while maintaining consistent brand identity.
- Worked directly with clients on set, helping them feel comfortable on camera and aligning production with project goals.
- Managed multiple deadlines and refined deliverables through client feedback.

Additional Experience: Contract Video Editor, CenturyLink, Denver, CO | Video Editor, First Data, Greenwood Village, CO

Education

Associate of Science (A.S.), Graphic Design and Multimedia | Westwood College of Technology, Los Angeles, CA
